Colours/ Introduction to Spain:

- KS1 children will learn how to say different colours in Spanish using the key vocabulary.
- Spain is a large country in Europe and shares borders with France and Portugal. It has the Mediterranean Sea on its east coast and the Atlantic Ocean on its north, west and south coast. The capital city of Spain is Madrid.
- The national flag: The red represents strength and valor, while the yellow symbolises generosity. The coat of arms pays homage to the original kingdoms that united to form Spain in the 15th century.
- In Spain, the currency is the Euro.
- Traditions: An important part of Spanish culture is flamenco dancing. It started in the Andalusia region. Spain is also known for many festivals, such as the 'Tomatina' and the 'Running of the Bulls', that attract thousands of participants and visitors.
